Our culture

+

HS2 as a client

We will set the standards and behaviours

We will limit information needed for regular reporting, but will audit regularly

We are the programme integrator and decision-maker

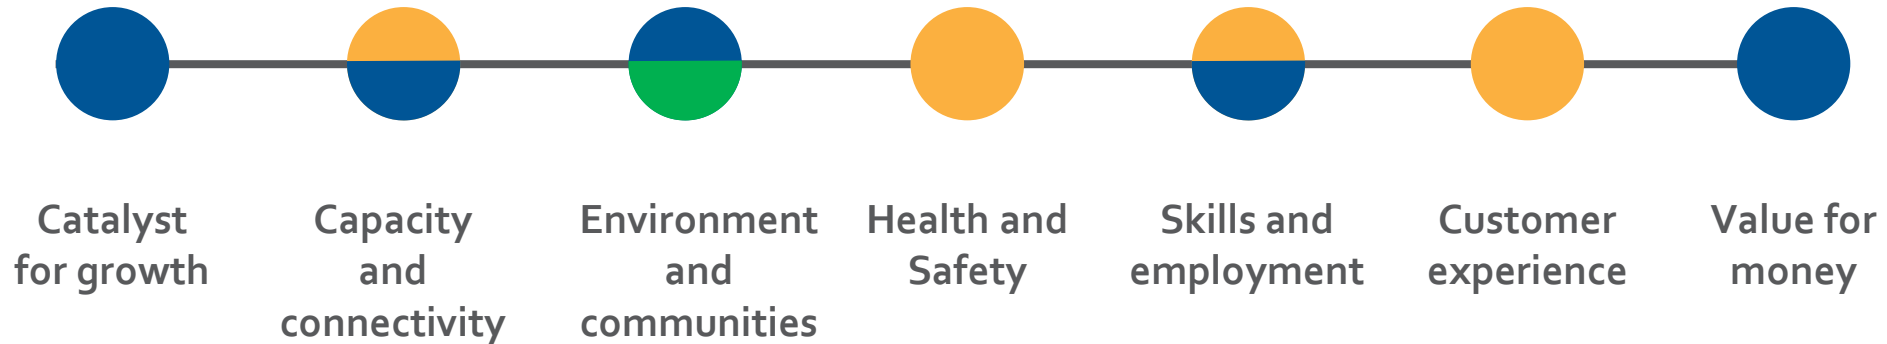

We will set the right climate for innovation

We will ensure consistency across contracts

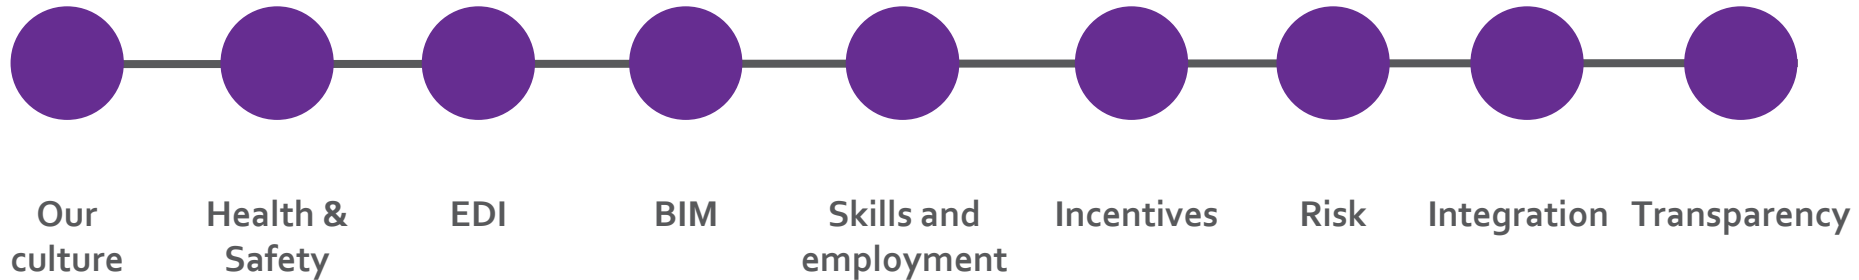

We will assume positive intent and plan for success

We will collaborate with our suppliers for the benefit of delivering the overall outcome

How we will assess suppliers

Supplier scorecard

Our strategic goals combine:  Environmental aims  Economic aims  Social aims

Modern methods of construction

BIM

Off-site
manufacture

Whole-life
value

HS2 is committed to
fair payment throughout
the supply chain

24,600 jobs including 2,000 apprentices

New people in our industry

Innovation & skills development
